

SCIENCE MEETINGS

Winter 2025 Atmospheric Physics in Practice

The purpose of these meetings is to bring together expertise to best serve society by disseminating scientific knowledge at regional, national and international levels. Meeting is by invitation only.

November 27, 2025

11:00

Room 30.01

Campus Tecnológico de la Fábrica de Amas
Toledo, Spain

Conference Cycle 2025
Faculty of Environmental Sciences
and Biochemistry

SPECIAL INVITED TALK

www.uclm.es/grupos/earthphysics

Dr. Sun-Young Park 박선영
Researcher

Kyungpook National University
Daegu
Republic of Korea

Enhancing Ice-Phase Microphysical Processes in Bulk Cloud Microphysics Schemes for Numerical Weather Prediction (NWP) Models

Projects

PID2019-108470RBC21

PID2022-138298OB-C22

PDC2022-133834-C21
